To

Amin-ul-mulk
Mirza Muhammad Ismail Esquire. B.A., O.B.E., C.I.E.
Dewan of Mysore.
Bangalore.

Sir,

I beg to bring the following matter for your kind consideration and necessary action.

The Yedeyur temple is dedicated to the worship of a great Veerasaiva Yogiswara Sri Siddalingeswara Swami whose remains are enshrined in the temple. The tomb is the object of the homage of the Veerasaivas in particular and of the non-Brahmin public in general. The Veerasaivas all over India hold the tomb in great reverance and they will be making annu-al piligrimages to the sacred place. The worshippers are veerasaivas, but the parpathegar or the manager of the temple is a Brahmin and a Vaisnava to boot. It is difficult to understand how the Muzrai Dept. of the Government of His Highness the Maharaja could ever think of appointing a Brahmin as parpathegar. It need hardly be said that between Brahminism and Veerasaivism there is not much love lost and instead of management there is nothing but mismanagement. The devotees who repair there in large numbers have innumerable complaints and are feeling keenly the want of sympathy exhibitted by the parpathegar. The trustees of the Mutt have often complained against the conduct of the parpathegar, while the devotees in conference assembled have more than once resolved to move for the withdrawal of the present parpathegar

There have been interpellations on this matter at the December session of the Legislative Council and other previous sessions of the Council and the Assembly which disclose the indifference of the Muzrai Dept. towards the public opinion.

I may be permitted to point out that in the case of no temple whose devotees or worshippers of the temple are brahmins there would be a non-brahmin parpathegar,no church or parish of Christians,a non-Christian priest or rector, no Mosque of Musalmans ,a non--Mahamadan Movlvi or Mutavali. It is unthinkable that in the case of this Veerasaiva Temple there should be a Brahmin parpathegar,and that is worse,that Government should persist in continuing him in office against the public disapproval of his managership. I do beg of you, sir,to consider how deeply the sentiment of the devotees are heart and how unsafe it is to continue the present Brahmin parpathegar in office.any longer. Need I point out what hubub and uproar the Brahmins creat when even the Revenue head of a Taluk where there are some important temples with which they are connected somehow,happens to be a non-Brahmin.(Instance - Nanjanagood when Mr.B.Krishnaswami Pillai was the Amildar.)

There just another point in this connection with the same temple There is feeding once a year during the jatra at yedeyur. But who are the persons to be fed ? Mostly Brahmins who xxx owe no allegiance to the temple,and who contriounte not a pie to the funds of the temple. It is already stated that veerasaivas and other non-Brhminx Hindu public are devotees,devotees who pay their kanikes.I pray,sir,that this ingenuious and unjustifiable action may be stopped. It is a great wrong to the devotees and I submit a great abuse of the trust,which a just

a just Government ought to set right without delay. I plead on behalf of the ~~xxxxxxx~~ thousands of devotees that the present Brhamin Parpathegar be removed from office, the complaints against them form a sufficient ground for such an action apart from the intrinsic claims of the Veerasaivas for one of their own men for the place, and that the feeding arrangements may be made for the benifit of the Non-Brahmins devotees who gather there for worship and not of the Brahmins who flock there to feed.

Assuring you the lasting gratitude of the devotees for this act of justice.

I remain, sir,

Yours sincerely,

D.Mallappa

P T O

There are two points raised in Mr. Mallappa's letter. Firstly removal of Yediyur Temple Parapathegar who is a Sri Vaishnava Brahmin and the appointment of another of the Veerasaiva community instead and Secondly restricting the feeding during the annual Jatra at the place to non-Brahmins only.

The records show that reports on both these points have been obtained from the Muzrai Commissioner and they have been duly considered by Government. It was found that no case had been made out for disturbing the existing arrangements.

The history of this case is as follows: ---

The Siddalinge swara temple at Yediyur is a Shaiva institution endowed with inam lands and has a very small annual tasdik. The main source of income to the temple is the collections made during the annual Jatra and occasional receipts from Kanikes from devotees. The temple inams have been in the enjoyment of Veerasaiva Archaks who act as Sthaniks and the Nityakatle (viz., Padithara and Deeparadhane) expenses are defrayed by them. Owing to the Archaks' serious mismanagement, representations were made in 1904 by certain people of the Setti and other communities of Yediyur and neighbouring villages for the temple being recognised as a Muzrai Institution and for the management being taken over by Government.

A scale of expenditure was sanctioned in a Government Order of 29th August 1907, which provided for the necessary establishment charges including an allowance of Rs.12/- to Shanbhogue for maintaining accounts etc.

B In Notification of 12th February 1912 the following four gentlemen were appointed as Dharmadarsis for a period of 5 years.

1. M.R.Ry. Shanbhogue Naradaiengar (who is an influential gentleman of the place and continues, I believe, as Dharmadarsi even now).
2. " " Matada Munshi Rudrappa.
3. " " Patel Lingegowda.
4. " " Yediyur Kallasettru.

"A" The scale of the temple underwent revision in ~~1921~~ 1919. The establishment charges ~~was~~ were increased from Rs.186 to Rs.330 per annum, and in place of a Shanbhogue in receipt of a monthly allowance of Re.1/- a Parpathegar on Rs.5 was provided. The appointment of a Parpathegar was considered necessary for the maintenance of regular accounts and for exercising control over the other temple servants.

"A" The temple receipts included an annual contribution of Rs.200/- by the Gadag Swami for Dasoha (feeding?) to pilgrims visiting the temple which was brought on the accounts and handed over to Archaks for actual use according to requirements.

"W" In the revised scale of expenditure sanctioned by the Muzrai Commissioner in 1923 the pay of the Parpathegar was ~~been~~ raised to Rs.8/- and a sum of Rs.100 also provided for feeding the poor during Jatra.

After the temple came under Government management there has been an assured income of about Rs.1200 a year from Jatra and other collections, and a sum of Rs.8000/- is reported to have been accumulated to the credit of the institution.

The Records show that the present Parpathegar -

Krishna Iengar and his father Narana Iengar have been connected with this temple for over 25 or 30 years and have been looking after its accounts ever since it became a Muzrai Institution. It is also found from the records that even so far back as in the year 1885 Narana Iengar, the father of the present Parpathegar was entrusted by the then Amildar for about 16 months with the keeping of the accounts of the temple.

The question of removal of the present Parpathegar on the ground of his being a Brahmin was first brought to the notice of Government in June 1925, by Mr. J. Rudrappa who was then a Member of the Legislative Council, in the course of a cut motion intended to ventilate the defects in the working of the Muzrai Institutions. During the debate it was explained by the Muzrai Commissioner (Mr.Balasundram Iyer) that instances were not wanting of gentlemen of one community doing duty as Parthegars of temples worshiped by people of another community and that the selection of incumbents was made not necessarily on communal grounds but in the best interests of the institution. The Muzrai Commissioner promised here to make enquiries into the particular case referred to by the member. The cut motion was withdrawn.

At the Veerasaiva Conference, Kunigal Session, held at Yediyur on the 16th August 1925, and presided over by Mr. Rudrappa, several resolutions were passed in respect of the management of the Sri Siddalingeswara Swami Temple one which asked for the removal of the present Parapathegar. These resolutions were forwarded to Government by the President of the Conference with a request that suitable steps may be taken to set right the defect. Copy of the resolution was sent to the Muzrai Commissioner for necessary action. His report on the case was perused by Government and recorded.

Regarding the removal of the present Parpathegar on the score of his being a man of a different community the local officers including the Deputy Commissioner, Tumkur, were decidedly of the opinion that it was not desirable in the public interest to change the present incumbent.

B2 In the February Session of the Legislative Council Mr.Rudrappa interpellated as regards the action taken by Government in regard of the removal of the Parpathegar and the other resolutions of the conference. It was replied on behalf of Government that the Muzrai Commissioner was requested to take needful further action in the matter.

C2 The question was repeated in the Budget Session of the Representative Assembly, 1926, and the following reply was given on behalf of Government. "The Resolutions of the Kunigal Veerasaiva Conference that the present Parpathegar should be changed, was enquired into but not accepted by Government. The Parpathegar is doing good work and has maintained the temple in a good condition. The income of the temple has also increased"

When Mr.Mallappa put a supplementary question enquiring whether the Government cannot remove the Parpathegar when the Bhakthas want him to be removed, the Dewan-President observed ~~that~~ "we shall consider".

D2 In the June Session of the Legislative Council in the year 1926 also, Mr. Mallappa brought forward a cut motion for ventilating this very grievance but it was withdrawn as it was stated that the question was under the consideration of Government.

H Further enquiries were accordingly made as regards the desirability of the removal of the present Parpathegar. In his report dated 29th September 1926,

The Deputy Commissioner Tumkur District wrote as follows:-

"There are 9 Dharmadarsis to this institution. Five of them are Lingayets and none of them has raised any objection against the present Brahmin Parpathegar. The present Parpathegar's father held this place for a period of 30 years since the year 1885 as temple Shanbhogue and after him his son the present man has succeeded to the post and the appointment has become more or less hereditary one. As such to remove him at this length of time without any valid reasons would be a hardship to him". The Muzrai Commissioner agreed in the views of the Deputy Commissioner. He ~~said~~ added that the question of appointing a Lingayet as Parpathegar might be considered when a vacancy arose in the usual course of things.

"G"

This report was recorded by Government.

"E"

In the subsequent December Session of the Legislative Council Mr.Mallappa again interpellated about the result of the investigation into the matter of the removal of the Parpathegar and Government definitely replied that there was no need to disturb the existing arrangement as it had been found to work efficiently.

The points for consideration in the case are whether a large body of the devotees desire the removal of the present incumbent, on religious grounds, whether the fact that he does not belong to the Veerasaiva Community operates as a handicap for the efficient management of the institution, or whether there are any specific acts of commission or omission which can be charactarised as irregularities justifying the removal of Krishna Iyengar from the office.

It has been reported that there are only 17 families belonging to the Veerasaiva Community, residing in this village and that the neighbouring villages also contain a small portion of the said community. Out of the total number of devotees ~~only~~ only 25 per cent are Lingayets, and that the remaining 75 per cent or at any rate a large number of the devotees belong to different communities. Government are not aware of any complaint against the present Parpathegar, preferred by any of the devotees of the institution other than Veerasaivas.

In the course of the debate in the Session of the Legislative Council Mr.Mallappa stated as a fact that a resolution had been passed by the Dharmadarsis for the removal of the Parpathegar. The reports show that there was no resolution passed by the Dharmadarsis when Mr.Mallappa raised the debate in the Legislative Council, but that in ~~the~~ a meeting of the Dharmadarsis held on 28th January 1928 a resolution has been recorded for the removal of the present Parpathegar on the ground of want of interest in his work and disability ~~by~~ being a man of a different community and his replacement by a person of the Veerasaiva community. The resolution does not refer to any specific irregularities committed by the present Parpathegar.

If any further action is considered necessary the Muzrai Commissioner may be requested to offer his opinion on the recommendation of the Dharmadarsis.

II As regards the second point namely the restricting of feeding to non-Brahmins, the scale provided for an allotment of Rs.100/- for Santherpans. In the Budget Session of the Representative Assembly of the year 1926, Mr.Rudrappa interpellated on this point—

It was reported by the Deputy Commissioner that the amount provided in the temple scale was being utilized for feeding poor people. The temple annual Jatra is presumably visited by people of all community who naturally contribute the revenues of the temple in some form or other. Records show that some Brahmins are performed savas in this temple. In a matter of this kind it is better just to follow mamool and the question will have to be dealt with by the local officers in the first instance.

As regards the Santarpane, it seems to me only fair that it should not be monopolised or practically monopolised by the Brahmins, as seems the case now, but that it should be enjoyed by other Communities as well.
I am of opinion that it would be in the interest of the Brahmans themselves in the Long run that they should share such things with other Hindu Communities to a reasonable extent, & not try to exclude them.

Before deciding the question of removal of the Brahmin pandaram on payment of compensation, as recommended by the C, I would suggest a compromise that leave as he has may be granted for a period of 6 months and that in the meantime a Lingayat pandaram may, in deference to the wishes of a section of the devotees be appointed to each.

The Govt may be asked to in consultation with the Mode Agent, in the course of the period, if in the interval the arrangement may be continued and the Brahmin pandaram's services may be finally terminated on payment of a suitable bonus.

demanding the removal of the Brahmin Parpathegar and there is another which considers that he and his father have done very good work for the temple and that it is not desirable to remove him.

The following information may be noted:-

(1) Is this temple directly under the management of the Muzrai Department?

(2) What is the pay now paid to the Parpathegar?

(3) Are there any other temples in the Tumkur District which are under Government management and which have Parpathegars on their staffs, and what are their pay

(4) Who are the present Dharmadarsis of the temple and which of them have signed the representation recommending the retention of the present Parpathegar?

It would appear that this temple is not an exclusively Lingayet institution as it is reported that it has devotees other than the members of that community. The Deputy Commissioner's report on this point may be put up and flagged. It appears however, to have a large number of Lingayet devotees and any reasonable grievance of that community should be redressed. The appointment of Parpathegar is not a hereditary one and if it is decided to remove the present Parpathegar, I do not think it is necessary to give him any bonus by way of compensation

compensation for removal from office.

I believe there is a previous report of the Deputy Commissioner of the District to say that it is not possible to get an ~~equivalent~~ equally competent Parpathegar who would be a resident of the place a it may be put up and flagged.

The reports of the Deputy and the Muzrai Commissioners do not show that the present Parpath -gar is guilty of any serious irregularities to deserve removal. At the same time, there is a persistent demand on the part of a community much interested in the institution that he should be removed. It is desirable to gratify the desire of the public as far as possible in a matter of this kind. Great care is, however, necessary in appointing a competent successor. He should be a person residing at the place and free from local bias of any kind and from partisan influences. If a suitable Lingayet is not found, I think Government should have the freedom to appoint a person of any other community.

The case may be finally dealt with after the information I haved asked for above, is furnished.

As stated in my previous note dated May 1929, the demand for the removal of the present Parpatheear is entirely on account of the After enquiry into the alleged faults of the Parpatheear, the Deputy Commissioners Messrs. Anantaraman and Mehlikar, have expressed the opinion - the former on 20th February 1928 and the latter so recently as 8th August 1929 - there is nothing against the Parpatheear, and that, on the contrary, he and his father have rendered great services to the people and greatly improved its finances. Mr. Lutfullah however, has suggested the removal of the Parpatheear mainly because the Dharmakartas like him. The Durrai Commissioner states that the Dharmakartas have only magnified the small faults of the Parpatheear and that he is not guilty of any serious irregularities which would necessitate his removal. It would seem, in these circumstances, unfair to dismiss the Parpatheear.

L.1

(5) Those who desire the removal of the Parpatheear urge that he cannot, being a Nadar, enter the Garbagriha of the temple. As far as I know, no one other than the priest is permitted to enter the Garbagriha of any Hindu temple in Southern India. Even if the Parpatheear is a Sudra, I am not sure that he can enter the Garbagriha of this temple. If, however, it is unnecessary to enter the Garbagriha in order that it may be done, I think it is entitled to hereditary

important temples in the State, viz., Melkote and Seringapatam temples, it is not the practice to necessarily appoint Parpathegars of the Iyengar persuasion to which the archaks belong. On the other hand, it is considered desirable to have in such institutions Parpathegars of a different Hindu persuasion to prevent any combination between Parpathegars and temple servants to be a prejudice of the institutions.

L1 All of the nine Dharmadarsis of this temple, three have not signed the resolution requesting the removal of the Parpathegar. There is one among the signatories of a petition to the Amildar of the Yedigur village, in which the good work done by the present Parpathegar and the petition explained and in which it is stated that petition praying for the continuance of the present Parpathegar, in the interests of the institution. This petition is signed by some members of the Lingayet community itself and one of them is stated to be a person belonging to a Lingayet Mutt at the place. It appears from the proceedings that one of the Dharmadarsis viz. Siddaiya is the Archak of the temple. The temple servants have been appointed as Dharmadarsis and it, as stated in the petition dated 1st January 1928 [illegible] unlikely that [illegible] partly [illegible], as stated in the said petition, for the [illegible] ill-will between the Archak and the Parpathegar. 85 The temple is not an exclusive Brahmin institution, as it is reported that among its devotees are many other Hindu communities including the Brahmin community. It is stated that the Lingayet community represents but a small fraction - about 20 per cent. - of the devotees of this temple.

86 On a consideration of all the points, the Muzrai Commissioner has come to the conclusion that the case for the removal of the Parpathegar is by no means strong. Because, however, of the demand of a section of the Lingayet community he suggests that the Parpathegar might be removed, but that he might be compensated by a bonus of Rs 200. In view of all that is stated above, I think it is neither necessary nor fair to remove the Parpathegar. If, however, any modification in the existing arrangement should be made, an assistant Parpathegar belonging to the Lingayet community might be appointed as suggested by the petitioners in which case the question of dismissing the present Parpathegar is represented.

87 Please submit this to the Secretary in reference to his dated 3rd and 24th May 1927.

My Dear Sir,

I had requested you some time back to kindly change the present Parupattegar of Ediyur Temple in Kunigal Taluk and appoint a Parupattegar of the Veerashiva community to which the temple belongs. You were kind enough to promise me that you would immediately order the removal of the present Parupattegar. I find it is not done even though the matter is pending since a very long time. The present Parupattegar was appointed only recently when the temple was taken over to the control of the Muzrai Department and as such, he cannot claim any prescriptive right, and moreover even if he claims, the satisfaction of the devotees is to be cared more than his claim or anything of the sort. Several devotees at several meetings passed resolutions condemning the work of the present Parupattegar and also requesting the Government to remove him immediately and appoint a person of the Veerashiva community. Even the All India Veerashiva Conference passed a similar resolution and submitted it to Government. Even though this matter is urged on the attention

attention of the Government, the just claim of the community has not been recognised and necessary changes made. I earnestly appeal to you to kindly at least now order the immediate transfer of the person and the appointment of a Veerashiva Parupattegar as early as possible and thereby place the community under a deep debt of gratitude to you, and oblige.

I am, Dear Sir,

Yours sincerely,

Sir,

With reference to correspondence ending with your letter No. 804 of 1927-28 dated 2-5- forwarding a copy of the resolution passed by the Committee of Dharmadarsis of the Sri Yediv Siddalingeswaraswamy temple in the Kunigal Tal at a meeting held on 28-1-1928 ~~xx~~ in regard to the removal of the present Brahmin Parupattegar of the temple, I am directed to enquire whether the resolution was a unanimous one and if not, who voted against it? Govt. will have no objection to the appointment of a Lingayet Parpattegar as the successor of the present Parpathegar if the Dharmadarsis pass a resolution to that effect ~~and that~~ but they cannot consent to the removal of the present incumbent unless he is ~~proved~~ found. to be quite incompetent for the place. I am therefore to request that further enquiry ~~as suggested,~~ may be made and a report furnished early, with your opinion thereon.

The resolution of the Dharmadarsis does not refer to any specific allegation against the present parpattegar.

SIR,

Referring to correspondence ending with your letter No. [illegible]
dated 13th June 1928 in re the removal of the Parpathegar of the
Sri Siddalingeswaraswami temple at Vediyar Kuni al Taluk, I have the
honor to submit herewith copy of the Tumkur District Deputy Commis-
sioner's letter No.M.1304/27-28 dated 26th February 1929 and the
records received therewith. The Deputy Commissioner recommends
that the present Brahmin Parpathegar may be replaced by a Lingayat as
there is friction between himself and the Dharmadarsis and he cannot go
to the garbhagudi. The Parpathegar has no hereditary right. But
the duties are performed by the Parpathegar and his father since the
temple came under Government management since 1904. [illegible]
to the strained relations between the Parpathegar and the Dharmadarsis
the latter are inclined to magnify small faults [illegible], from a
perusal of the charges against him and his explanation, I am not inclined
to hold that he has been guilty of such serious [illegible] as to
necessitate his removal, yet in view of the [illegible] against
him, I am inclined to support the Deputy Commissioner's [illegible]
that it is desirable to nominate a Lingayat Parpathegar. [illegible]
no serious fault can be brought home to the Parpathegar, I am of
opinion that he may be given a [illegible] to two years' salary for removal from the office. The [illegible]
a rich one having Rs.8674-[illegible]

can well bear this charge. Another petition received from other -- devotees of the institution in favour of the Parpathegar is enclosed for reference.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.F.1304/37-38 dated 26th February 1938 from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore.

- - - -

With reference to your Memo No.804/37-38 dated the 19th June 1938, returning the records connected with the removal of the present Brahmin Parpathegar working in the temple of Sree Siddharoodeswarasvami in Yediyur village in Kunigal Taluk, for further enquiry and report with my opinion thereon etc., I have the honor to submit herewith, the entire file of enquiry records ending with Kunigal Amildar's report No.Mur.O.C.1/38-39 dated 11-8-1938 and to state as follows:--

The Amildar, Kunigal Taluk, reports that the convener of the Committee of Dharmadarsis has submitted a detailed report (a copy in the records) pointing out the irregularities committed by the Parpathegar and also the necessity for the appointment of a Lingayat Parpathegar. The explanation obtained from the present Parpathegar on the several charges levelled against him is also enclosed in the records. It will be seen therefrom that the present Brahmin Parpathegar is working there since a long time and has apparently fallen out with the Dharmadarsis, consequently his retention any longer as Parpatnegar of the temple would mean endless confusion and friction between himself and the Dharmadarsis which would tend to retard the steady progress of this growing institution. Further, the temple is a Lingayat institution and it is but right that only a Lingayat who could go to the "Garbhagudi" should be appointed as Parpathegar. In the above circumstances, I request that the present Parpathegar may be removed and a Lingayat appointed in his place.

As regards restricting the Garbharpade during the annual Jatra at the place to Brahmins only, I am of opinion that all Hindu communities should have proportionate share in it and not entirely one community viz., the Brahmins.

To

The Dewan of Mysore,

Bangalore.

Humble petition of the residents and the Darmadershis of Sree Siddalingeswaraswamy Temple Yediyur village, Kunigal Taluk, Tumkur - District.

The petitioners beg to state as follows:-

1 The the affairs of the Sree Siddalingeswaraswamy temple was mismanaged, the instituted was taken over by the Muzrai Department on the complaint of one Kala-Setty of the village.

2. The District and the Taluk Authorities who were present at the time, having acknowledged the services that were being rendered free of remuneration by the late Narayana Iyengar, Shanbhogue of the place, entrusted the said gentleman with the management of the temple on a remuneration of Rs.1/- in 1904-05. The said Narayana Iyengar was discharging his duties in the interest of the temple and to the full satisfaction of the general Public.

3. After the demise of Mr. Narayana Iyengar some 15 years ago, his son Krishna Iyengar was looking after the duties of his father in the affairs of the temple. The then Muzrai Superintendent Mr. Arunda Iyengar, who inspected the temple being pleased with the interest evinced by Krishna Iyengar, appointed him as Parpatheaar of the temple on an allowance of Rs. 5/-. In 1919, the Muzrai Superintendent Mr. Jayarama Iyer, who inspected the temple was also pleased with the work turned out by Krishna Iyengar and increased the remuneration to Rs. 8/- according to

the income of the temple. From the time all these Krishna Iyengar has been discharging his duties loyally to the best interest of the temple and has earned the good will of the Dharmadarsis and the general public.

4. Some of the Lingayet Dharamadarsis of the neighbhouring villages who were appointed in 1919 having a prejudice against the Brahmin Parpathedar moved in the Representative Assembly and Legislative Council that a Lingayet Parpathedar should be appointed in place of Brahmin. On the report of the Muzrai Commissioner, Mr. C. S. Balasundaram Iyer and the Deputy Commissioner Mr. K. V. Anantaram, who inspected the institution in this connection, the Dewan was pleased to pass orders that since the present Parpathedar was discharging his duties to the entire satisfaction of Government and general public, there were no grounds for the change in that office.

5. Owing to failure in their attempts to fulfill the office of the Parpathedar by Lingayet the prejudice of the above mentioned Dharmadarsis has increased. With their evil motive behind, the Dharmadarsis have been concocting cases against the present Parpathedar with the help of certain evil minded so called devotees and now the petitioners are given to understand that they have recommended to Government, through the Deputy Commissioner Tumkur for the removal of the present Parpathedar and fill the office by Lingayet.

6. If the Deputy Commissioner Mr. Balaraja Urs, had visited the temple and heard the representations of the devotees, they are sure he would not have recomended to Government as he has done now. They therefore most humbly pray that inview of the interest evinced by the present Parpathedar, he may be permitted to continue to hold the office. If a Lingayet is appointed instead of a Brahmin, the affairs of the temple are sure to meet with

with failure.

7. It is learnt that some of the Dharmadarsis set forth the plea that a Brahmin Parpathedar who is not allowed to the interior of the temple cannot manage the affairs efficiently. It may be stated in this connection that for the last 30 to 35 years the ancesters of the present Parpathedar have held the office without giving the least room for any sort of complaint and have increased the funds of the temple by about Rs. 10,000/-. It is a point for favour of consideration how the Dharma darsis have been complaining ~~again~~ for the last three - years only against the Parpathedar who has been serving for the last 15 years.

8. The present Parpathedar is the Sanbhogue of the village and belongs to a noble and respectable family and has been discharing his duties very efficiently. The petitioners therefore pray that he may not be disturbed from the office. If on the other hand it is felt that he belongs to a community which is not allowed to the interior of the temple and this would stand in the way efficient management, a Lingayet Assistant Parpathedar may be - appointed to look after the affairs of the interior.

9. The petitioners pray that the above facts may be kindly considered and an endorsement issued to them.

Respected Sir,

I beseach your pardon for the liberty I have taken in addressing this petition to you. But for the kind sympathy and generous solicitude you have been evincing in matters religious and social of all communities, who have the good fortune and privilege of living under your benign administration, I would not have been emboldened to approach you.

You are not unaware, Sir, of the deep-seated religious sentiment of the Veerasaiva community and how soon and easily that sentiment is stirred. The community received a rude shock, when a few years back, the Muzarai Commissioner appointed a Brahmin parpattegar to the Sri Siddalingeshwara Swami Temple of Yediyur in Kunigal Taluk. This is a highly sacred and ancient Veerasaiva Temple as also a holy place of piligrimage to Veerasaivas far and near. There is also here a "Gaddige" of a Veerasaiva saint of great repute and veneration.

Repeated representations made to the local authorities and to Government through the Representative Assembly and the Legislative Council against the said unjust, unfair and unreasonable appointment have so far borne no fruit. Most recently, this question was taken up by the All India Veerasaiva Conference which met at Bangalore and which your goodself were pleased to grace to the great appreciation and rejoicings of the whole community, when a resolution protesting against the said appointment and urging its cancellation was passed and a copy there of was sent to Govt.

I believe Sir, that this grievance has not been brought to your personal notice till now, for, otherwise such a simple and legitimate demand of the community would have certainly received your sympathetic consideration. If you were to be pleased to look into the connected records and see how and when this Brahmin Vaishnava parpattegar came to be appointed, you will be convinced of the injustice and harm done to the institution.

I was present during the recent session of the annual Jatra and personally watched the conduct of affairs and permit me to tell you, Sir, that the adverse to the interests of this sacred institution. No more can be expected either.

He is a Vaishnavite and the institution is purely Saivite;

these two communities are entirely antagonistic from the past. Besides there is not a single Brahmin devotee to this temple. That the appointment of a Vaishnava as the parpattegar to a Saivite institution is certainly not to the interest of the latter; it is not difficult to imagine and yet it was made and is being continued to the annoyance and insult of the Temple and its devotees.

Could a single parallel instance exist in a Brahmin institution or could any Govt. officer ever dream of perpetrating such a folly in the case of Brahmin institution ?

A meeting of the Veerasaiva devotees was held under my chairmanship at the recent Jatra on the 29th March last, when it was unanimously resolved to again approach the Govt. of H.H. the Maharaja of Mysore with the representation that the present Vaishnava parpattegar may be replaced by a Veerasaiva parpattegar.

In submitting to you, Sir, a copy of the said resolution, I respectfully pray that you may be pleased to sympathetically consider this long-standing reddress and thereby earn ther respectful and abiding gratitude.

I hope to have an early opportunity of paying my respects to

(1) that the temple is directly under the charge of the Muzrai Department.

(2) that the present Parpathegar gets a pay of Rs.7- per mensem.

3. As regards the advisability or otherwise of retaining --- this Parpathegar, I have already given my opinion in my letter No.304 dated 2nd May 1929, that it is desirable to dispense with the services of the present incumbent, and to appoint a Lingayet ---- Parpathegar in his place, as otherwise there will be a lot of --- agitation about it, and I still adhere to the same view.

5. The names of the present shareholders and of such of them as have signed the petition addressed to Government are also given in the margin.

I beg to add that the parupathegarship has been in the family for several decades and that the Government have record of the Amildar Commissioner's views that the removal of the present parupathegar after a length of time without any valid reasons would be unjustifiable (Vide G.C.No.275/Muz.37-38-3 dated 30-11-1938.) As no new and any reasons have since arisen to recommend a change I withheld the institution last month. I am of opinion that the Inamdar is not doing his work satisfactorily, and what to do in the matter is left to him.

To

The Muzrai Commissioner in Mysore,

Bangalore.

Sir,

With reference to correspondence ending with your letter No. 804 dated 15th August 1929 regarding the Parpathegar of the Sree Siddalingesvara Swami Temple at Yediyur, Kunigal Taluk, I am directed to state that in view of all the circumstances of the case it does not appear to be necessary or fair to remove the present Parpathegar. At the same time, it is desirable to meet as far as possible the wishes of the Lingayat community and I am accordingly to state that an assistant Parpathegar of that community (may be appointed) on a suitable rate of pay ~~might be appointed~~ and this arrangement tried for some time.

I have etc.,

Sir,

In continuation of this Office letter No. 653 dated
Mucz 362 '27-5
conveying instructions re the Parpathegarship of Sri Siddalingeswaraswamy temple at Yediyur in the Kunigal Taluk, I am directed to observe that from a perusal of the records, it appears that one of the Dharmadarsis of the said temple viz: Y. Siddiah is also the Archak of the temple. It is undesirable to appoint a temple servant as Dharmadarsi and ~~if, as stated in the petition dated 1st Jany 1929 addressed to the Taluk Office~~ Siddiah ~~is the Archak, it is not unlikely that~~ he is ~~responsible, partly at least,~~ as stated ~~in the same petition,~~ for the existing ~~ill-will~~ between the Dharmadarsis and the Parpathegar. ~~I am accordingly to request you to enquire if~~ Y. Siddiah is the Archak of the temple ~~and if he is the Archak, to take steps to remove him from the~~ action may be taken ~~Dharmadarsiship and~~ as a Dharmadarsi appoint another person in his place.
